Ballot April 9 From Noon To 7 At Town School

Two persons had filed for two places on the Antioch grade school board as of Wednesday noon this week.

They are incumbent Elroy K. Anderson of 49 Second Avenue, California Subdivision and Leslie W. Sorenson of 272 Chestnut St., Antioch. Roy Truelsen of Deep Lake road has taken out petitions for a place on the board but as of Wednesday noon had not filed them.

Charles Wertz, incumbent board member, has announced that he will not be a candidate for re-election. School board terms will be for three years.

Election will be held from noon to 7 p.m. Saturday, April 9, at the Antioch grade school building. All voters regardless of where they may live in the Antioch grade school district will ballot there.

Seven hundred ballots will be printed for the election, according to a vote taken at the monthly school board meeting Tuesday night.

Election judges will be Vera Horton, Margaret McNeil and Lois Laurson.

In other business Tuesday evening, the grade school board voted to buy 20 desk and chair combinations at a cost of \$523.10 from Atlas Chair and Desk Corp. for use at the Oakland school.

Permission was given the Antioch Moose lodge to hold an installation ceremony in the school gym and cafeteria on April 7 and to the Cub Scouts for use of the cafeteria April 23 for a fund raising dinner.

A teacher salary schedule with a minimum of \$4,500 for BA degree instructors and \$4,700 for MA's was adopted. The maximum pay would be \$6,500 for BA and \$6,700 for MA. This is a raise over the present schedule.

It was announced that Fred Kile of Gilbert Johnson Architectural firm in Rockford would attend the May 17 board session to discuss further building needs in grade school district 34.

New Fire Truck Bids Awarded Monday Eve.

The trustees of the Antioch Fire Prevention district, with the assistance of a committee of firemen, Monday night awarded Stewart Olson, of Olson Implement Co. the chassis bid, style V198 International for a new local fire truck.

Peter Pirsch company of Kenosha, Wis., being low bidder was allotted the equipment contract.

Zoning Change Requested For New Service Station

LINDENHURST—Zoning of land east of the Lindenhurst shopping center site at the corner of Grand avenue and Sand Lake road was the prime topic of discussion at the Lindenhurst village board meeting Monday night.

Sinclair Oil company indicated it was planning a modern service station on that triangular site if the present zoning for residence was changed to zone 2B (business).

Major points of discussion covered drainage problems in the area and how much of a setback from surrounding property was necessary.

The Lindenhurst zoning board's recommendation of zoning change apparently was okayed by the village board under certain conditions.

Village attorney Ellis Fugua was asked to draw up an ordinance to change the zoning.

The land is now owned by Mrs. Florence Lucas.

The village engineer was asked to bring in his suggestions for road work to be done in the village this summer. It was estimated the village would have about \$12,000 available for such jobs by the time fall comes.

If work were done on arterial streets state money would be available and about 2 miles of such work could be accomplished for this \$12,000.

A speed reduction of Grand avenue was a possibility, according to state officials.

It was pointed out in that connection that opening of the Lindenhurst shopping center plus the planned new service station could cause trouble if a speed reduction was not

Oil Line Stops

Antioch Grade school came close to closing its doors a day or two earlier than Wednesday's snowstorm. It seems that Monday the building's oil heating apparatus stopped without warning about 2:30 p.m. No oil was coming through to the burners from the underground tanks.

C. L. Wertz, local well driller, was called and he installed a temporary copper tubing setup to bypass the regular oil line and this allowed the burners to function once again.

A check of the regular fuel line revealed a piece of wood had stopped up the pipe. How the wood reached the tank and/or the fuel line was anybody's guess.

Dial Building To Be Built

To keep up with growing Antioch, this new Illinois Bell Telephone company dial building will be constructed at 531 Lake street, according to D. L. Hood, local manager.

The building will be made of brick and limestone. It will be 96 feet by 62 feet and will have one story and a basement.

"The building is scheduled for completion in January, 1961," Hood said.

The Tonyan Construction company of McHenry will build the new building, according to Hood.

"Although the construction people have started preliminary work, we're going to have formal groundbreaking ceremonies Wednesday, March 23," Hood announced.

Net \$2200 At L. V. Sale

The tallies have been made for the Countryside rummage sale sponsored last Friday and Saturday by ten Women's clubs in the Antioch area.

The official amount made at the sale was \$2,200.

Receiving prizes donated by area merchants were Mrs. N. Hetland, Mrs. A. Mohr of Round Lake, Mrs. W. Dickson Mullsley of Round Lake, Mrs. Ringstreyer of Lindenhurst, and Mrs. Sheehand of Lake Villa.

The ten clubs who sponsored this event will work together in the future on dances and other activities until they raise \$10,000 for the hospital fund.

Their next project is to run a booth at the Lake county fair.

Mrs. G. Eckert, chairman of the sale wishes to thank all those who helped to make the affair such a huge "success".

Sequoit Athletes Dinner Scheduled Mon. Night

More than 100 Antioch-Lake Villa high school athletes, cheerleaders, coaches, pep club officers and others will be feted next Monday evening with a banquet in the high school cafeteria by the Antioch Lions club.

This 20th annual affair will have as its principal speaker Ray Elliott, 1960 assistant athletic director and former varsity football coach at the University of Illinois.

Town Meeting on April 5 To Discuss Many Questions

April 5 at the Antioch village hall will be the opportunity for Antioch Township citizens to help determine policy of the township when a town meeting is held in that place starting at 2 p.m.

Every qualified voter is entitled to participate and vote there.

"One of the most important powers of the electors at this annual town meeting is the levying of taxes," the Taxpayers Federation of Illinois said.

"The electors did not always have this power."

"For years taxes for general township purposes were levied by the county board of supervisors on the basis of claims certified by the board of town auditors."

Basis for the exercise of the tax levying process by the electors is the budget and appropriation ordinance.

This ordinance is prepared in

Storm Slows 'News'

"Full Tilt" operations at the Antioch News were curtailed Wednesday when Miss Mabel Sayles of Richmond, a linotype operator for the weekly newspaper, was "snowed in" at her home.

Result was that some news will be missing from this week's edition as will pictures. A complete summary of the Fighting Sequoits basketball outlook and 1959-60 season statistics will be published later.

Photos of last Saturday evening's Girl Scout show are printed on page 6. But some news from Antioch-Lake Villa high school and Fox Lake Hills was omitted.

tentative form by the board of town auditors, (supervisor, town clerk and justices of the peace), and is available for public inspection for at least 30 days prior to final action thereon at the town meeting.

At least one public hearing is held on such budget and appropriation ordinance prior to adoption.

Public notice of such hearing was published in the Antioch News on March 3. In other communities where there is no newspaper, notice of the hearing is given by posting notices thereof in 5 of the most public places within the township.

At such hearing, as well as at the annual town meeting, any taxpayer can ask questions and make recommendations pertaining to the budget and appropriation ordinance.

Previous to the meeting, the supervisor must prepare and file with the town clerk a full statement of the financial affairs of the township for the past year.

The town clerk had the duty of not only recording this statement in the record book, but he must also read it aloud at the meeting.

There is wide divergence among townships in the attention paid to the town meeting.

Some meetings are well attended and exert a real influence in the (continued on page 7)

Fire Damages Lake House

(See Picture on Page 2)

CHANNEL LAKE — The interior and contents of a long narrow cabin at Smith's Resort in Channel Lake were damaged by fire last Saturday afternoon before Antioch fire district equipment and crews extinguished the flames.

Mrs. Willie Mae Brooks said she had left the cabin about 2:30 to shop for groceries and that there was no sign of fire then. Firefighters were summoned about 4 p.m.

Contents of the building located near the lake shore were damaged by fire, water and smoke. Firemen confined the blaze to the building. Two fire trucks answered the alarm and ran hose lines from tanks on the trucks to the scene.

Occupying the cabin in addition to Mrs. Brooks were her husband, Charlie, and daughter Charlene, age 16.

The fire was discovered by Ralph Matthaei who lives nearby. No one was in the cabin when the blaze broke out, Mrs. Brooks said.

House-to-House Canvass Scheduled Sunday for Cerebral Palsy Funds

Antioch Township has begun its drive for funds for the United Cerebral Palsy fund of Greater Chicago.

The fund drive will be climaxed on Sunday, March 20 with the Fifty-three Minute March by volunteer marchers.

The marchers will make a house-to-house campaign from 1 to 4 p.m. on that day.

Mrs. Robert C. Lubkeman, Antioch Township chairman, urged the people in this area to welcome their neighbor when she calls Sunday and to contribute what they can.

The Fifty-three Minute March de-

Winds were piling up drifts in Antioch and vicinity Wednesday morning and up to six inches of white stuff was expected before a storm that started after 4 o'clock that morning eased out of the area.

Strong winds blew at what seemed like gale force at times and snow flakes often were relatively large in size.

Oakland and Antioch grade schools declared a holiday for their students but pupils at Antioch Township high school attended classes.

Principal Albert Dittman at ATHS said plans called for school dismissal Wednesday at 2:18 p.m., or about an hour earlier than usual. State law requires schools to have classes for at least 5 hours to call it a school day.

Antioch township officials indicated that roads they plow would be open by the time high school classes ended, if not earlier.

Wednesday morning high school buses reported little trouble in making their rural runs.

One bus that stands outdoors all night each time provided some trouble in getting it started but otherwise there were no serious obstacles.

St. Peter's school of Antioch also did not open nor did Emmons school south of the village.

Sessions were in progress at the Lake Villa and Hooper schools and at Channel Lake school.

A phone call to Millburn school Wednesday morning brought a busy signal indicating sessions also were being there.

Those holding classes indicated most of the teachers had made their way to their respective schools.

Snow plowing was in full progress throughout the area, including the village of Antioch. The snow was relatively light in water content and with the wind blowing, many areas were kept bare.

Dr. Solar In Hospital

Dr. Charles Solar, Antioch, Chiroprapist, was taken to St. Theresa hospital in Waukegan Sunday for an emergency appendectomy. He was reported to be recuperating nicely and is expected to be home in about 10 days.

NEW TELEPHONE BUILDING. This is an artist's sketch of the new Illinois Bell Telephone company dial building to be constructed in Antioch at the corner of Lake street and Hillside avenue. Formal groundbreaking ceremonies will be held Wednesday, March 23, with village and company officials taking part. The site was cleared of trees last weekend and this week crews of the Tonyan Construction Co. of McHenry were digging for foundations and the basement. The 96 foot by 62 foot one-story structure will be constructed of brick and limestone. The Tonyan Construction Co. of McHenry has the contract for the new building, Antioch manager D. L. Hood said. The building is scheduled for completion in January of next year.

DEAR READER News Editorials

Industry — to have or not to have

The frenetic scramble among cities and towns to attract new employers is, or seems to be, a sign of the times throughout the country. Local taxes have simply become too burdensome to be borne entirely by home owners alone.

For every 100 employees that a newly situated firm brings into town though, past experience has shown that: Retail sales will increase \$324,000, bank deposits will increase \$243,000 and personal income will increase \$531,000 a year.

In order to harvest some of this fruit many towns and villages form committees for the purpose of designing and producing attractive brochures and mailers, or worse yet compiling a staggering raft of dry statistical data on soil conservation.

Thousands of brochures and mailers from towns all over the country are mailed out annually willy nilly to industrial firms of all sizes and descriptions.

The committees then sit back and wait for the deluge of visitors. The net result of all this human effort is that the town's biggest employer, a processor of used calendars, goes bankrupt and skips town leaving \$5,000 due in back wages.

Just how much pretty brochures and national advertising help in luring new business in town is debatable.

There are many opportunities for towns to have new industry move into the fold. Antioch is no exception. — Why then do we have no new bustling firms in our midst?

The reasons we understand are many and varied. Undesirable from the standpoint of smoke, noise, etc.—may require financing out of all proportion to the towns benefit, — some are financially unstable, — taxes, — or maybe they just got a better offer from Podunc, Ill.

Our Village Board and the Antioch Chamber are both making efforts in this direction. Many inquiries have been answered both by letter and personal contact. Some might believe they are being over cautious but it must be remembered that the stable going companies, for the most part, have no reason to move.

We support both organizations in their activities toward this aim and hope that results will soon be the reward of their efforts.

Lindhurst Couple Celebrate 33rd Wedding Anniversary with a Party

By Mrs. Bernice Bernau
Phone Eliot 6-5649

LINDHURST — Herbert and Blanche W. Hanf, Sr., of Hazelwood drive were pleasantly surprised with a thirty-third wedding anniversary party at the home of their daughter, Jacquelyn and her husband, Frank Kennedy of Antioch Saturday, March 12.

The Kennedys have two children, Bobbie and Greg.

Mr. and Mrs. Herbert W. Hanf, Jr., of Villa Park, Ill., and their three children, Debbie, Keith and Richard, and Beverly Hanf, who is still at home with her parents, made up the rest of the family party.

They had a beautiful tier wedding cake that was much enjoyed by all. Congratulations to a lovely couple and their wonderful family.

Mrs. Ermine Stone of Deerpath road, suffered a heart attack during services, March 6, at the Community Methodist church in Lake Villa. The Lake Villa Rescue squad rushed her to Great Lakes hospital, administering oxygen all the way there. The doctor said she had torn the heart muscle down.

Her son and his wife, Mr. and Mrs. Ronald Koehler of Wadsworth and their four-year-old daughter came over to see Dorothy when she came home from the hospital Friday, March 11.

She is feeling much better but won't be able to go back to work for a while.

Mrs. Helen Heidner of Hazelwood drive is a patient at St. Therese hospital since March 8. Let's all remember her with get-well cards.

Mrs. Ida Christensen of Hazelwood drive had a jewelry demonstration party Friday, March 11. Sixteen ladies who attended had a grand time trying on the pearl necklaces, earrings, bracelets, brooches and rope pearls that could be used as a necklace or a belt.

The 4-H Daisies seniors met at the home of Mrs. Leona Amore on Grand Ave., March 7. She is teaching the girls knitting.

Welcome to Lindhurst, Mr. and Mrs. Robert Spears of South Thornwood drive! The Spears family have a 20-month-old daughter, Nanette. Bob is a maintenance man at Good-year Tire company in North Chicago. They formerly lived on Green Bay road in Waukegan.

March 5 to 12 was 4-H week. The Daisy Seniors of Lindhurst had a display in the Lake Villa Library. On exhibit were books used in their projects, and part of their booth that was used at the fair last year. The girls had the champion sewing booth at the National 4-H fair.

Mrs. Myrtle Jarl of Chicago spent last Friday and Saturday visiting her daughter, Mrs. Joel Schimpf of Deerpath drive. Grandmother always enjoys her visits because she

has a chance to play with little Dawn, 3-years-old.

Michael Hartwig of Sand Lake road celebrated his birthday, Saturday, March 10. His grandmother, Mrs. Jennie Volentesta, supervised the party because Mrs. James Hartwig recently came home with her new son, Daniel.

Boys who came to the party were Bruce Rush, Michael Karry, Robert Fields, Ricky Gerski, and Mike's brother, David.

They played dropping clothespins in a bottle and pitching pennies for highest score. Winners received money for their prize. They liked that because then they could buy what they wanted.

The P.T.A. of the Lake Villa-Hooper schools is sponsoring a roller skating party at Rollin' Wheels Rink, Twin Lakes, Wis., Saturday, March 19. The bus leaves the Lake Villa school at 12:30 p.m. and returns at 4:30. Chaperones are always needed and appreciated.

Don't forget to stop at Thor's Shell station on Grand Ave. Saturday, March 19, and purchase bakery goods that Cub Scout Pack 84 will be selling. They need your support! The sale is from 10 a. m. to 2 p.m.

Mr. and Mrs. John Weedman of Chicago spent March 6 visiting Mr. and Mrs. William Brassfield of Hickory drive. The ladies are sisters.

The P.T.A. meeting of the combined Lake Villa-Hooper schools Monday, March 21 will be an open house at both schools. Parents are invited to attend and see the progress that their children have accomplished this year. Art work will be on display. Refreshments will be served at both schools by the P.T.A. Robert McClelland of Woodlane drive is president.

Mrs. Doris Willett of Maplewood drive and her three daughters, Frances, 12, Susan 10, and Patricia, 9, arrived home March 6, after spending three months in Daytona Beach, Fla. They rented a cottage there and Mrs. Willett went to work and the girls went to school. On arriving home she went back to work at Smart's at Antioch the following Tuesday. She said she doesn't mind coming back to all this snow.

Mr. and Mrs. Barry Kleban are catching up on some of their entertaining. Saturday evening guests were Mr. and Mrs. Art Carlos of Chicago and Mr. and Mrs. Anthony Mazzetti of Des Plaines.

Sunday, Barry's uncle and aunt, Mr. and Mrs. Morrey Cohos and his mother, Mrs. Kleban of Chicago spent the day with them.

FIRE DAMAGED HOME at Channel Lake is shown in this picture taken during the blaze that damaged the interior of a one-story building and its contents last Saturday afternoon at Smith's Resort. Antioch fire district firemen with two trucks confined the fire to the building occupied by Mr. and Mrs. Charlie Brooks and daughter Charlene. Hoses used to battle the fire are shown in the foreground. Firemen are shown removing some of the contents after the blaze had been brought under control. A smoke removing apparatus was set up in one window to try and eliminate that hazard. Channel Lake is shown at the left. No one was home when the fire broke out. (Antioch News photo)

Ad Mat Error Brings Smiles

Two billion, three hundred ninety seven million, six hundred thousand dollars (\$2,397,600,000.00) fell out of Lee R. Fleming's ad in the Antioch News last week.

Oh, no! it didn't fall out in the News office. If it had the News office would have already closed up and the staff left for Jamaica or some other sunshiny spot.

It fell out where the advertising plates were being made.

The ad should have said the entire state appropriation amounted to \$2,400,000,000 and had the senate saved just 5 per cent of that it would have provided \$120,000,000 for the schools.

Through error the ad said \$2,400,000 instead of \$2,400,000,000. But what poor printer knows the difference between 2 billion and 2 million?

Anyway, it's just a lot of zeros to us.

Class of 1938 Plans Reunion

A committee from the class of 1938 at Antioch Township high school has been busy working on plans for a class reunion to be held at Joe and Helen's resort at Loon Lake on Saturday, April 30.

However, there are four members of the class whose whereabouts are not known to those in charge. These "missing" persons are Jack Riddel, Bob Rasmussen, Bob Matthes and Stanley West.

Anyone knowing where these men are or their addresses or having any other information is asked to notify Betty Lu Williams, 800 North Main street, Antioch, or phone Antioch 874.

Antioch and LV Men Safety Group Leaders

William L. Thompson of Lake Villa has been named chairman of the education committee of the Lake county safety commission for the year 1960. Appointment was made by Linn J. Vallaly of Lake Forest, commission chairman.

William E. Brook of Antioch was named to a special committee to prepare job specifications for the commission's executive director. Brook is treasurer of the county commission.

Lecture Slated At Grant, Hills Ass'n to Meet

By Jim Jankowiak

FOX LAKE HILLS — The two most important things coming up for residents of Fox Lake Hills are the regular meeting of the Fox Lake Hills Property Owners association and the lecture slated for next week at Grant high school.

The Hills Property Owners association's monthly session will be at 7:30 Monday evening, March 31. The place will be the Holy Family church in the Chesney area.

As usual, there will be the meeting of the board as well as an open discussion period in which residents are invited to voice their opinions, criticisms and complaints.

The lecture is scheduled for the following day, Tuesday evening, March 22. It will be at the Grant Community high school in Fox Lake.

The talk will begin at 8 o'clock and last approximately one hour. There will be a short question and answer period during which the audience may talk with the speaker.

Featured speaker for the evening will be Dr. Arthur G. Baker, director of the Lake County Health department.

The doctor is expected to outline efforts of his department and tell what progress is being made in the county along those lines.

Many women from Fox Lake Hills donated their time to aid the Countryside hospital fund rummage sale last weekend. They reported that the sale was a big financial success.

The home owners from Unit 1 (Chesney area) held a special unit meeting Monday night at the Holy Family church. There were about 36 people present.

The group decided to petition the association for the following items for the beach area: More sand and fill, a shade tree, a light, benches and grass cutting during the summer months.

The group also wants something done about the park area on Chesney drive. It is not kept up and floods over after heavy rains.

Members are going to ask the asso-

Charlotte Queen To Head Census

Charlotte A. Queen of route 1, box 309, Antioch has been named a crew leader for the 1960 census of population and housing in the Antioch area, supervisor Joseph O'Neill of the census bureau's Waukegan office announced.

Each crew leader will supervise about 20 enumerators in the big nationwide census which will begin April 1. Crew leader training started March 14 at the Waukegan office at 1319 Washington street. The crew leader is one of the key people in the field of operations of the 1960 census, O'Neill said.

It is his or her responsibility to recruit and train the census takers, plan and allocate work assignments, review work of the census takers and take remedial action where necessary.

He or she also must handle problems of difficult enumeration.

ROBERT JONAS HONORED, Mr. and Mrs. Robert Jones of route 4, Antioch, are shown here with his pastor, Rev. Welles Anderson (left), after Jonas had been presented with the Theodore N. Vail medal for action taken to prevent loss of life and property. The ceremony took place last Wednesday at a public ceremony at the Country Squire, Grayslake. Jonas helped save several children when on May 30, 1959 a cabin cruiser with six children and as many adults exploded and sank at Sequoit Boat Harbor near Antioch. He presently is a cable splicer working in the Illinois Bell Telephone company's Waukegan district. Rev. Anderson is pastor of the Antioch Methodist church. (Klein studio, Waukegan)

Music Department To Present Finian's Rainbow

The music department will present "Finian's Rainbow," the fanciful Broadway musical comedy about an Irishman and his daughter who steal away a pot of gold from the leprechauns of their country and bring it to Rainbow Valley, in the American state of Mississippi, which is an idyllic spot except for one handicap.

The handicap is that Rainbow Valley and its singing citizens are afflicted with an old-fashioned bigoted politician, not too deeply disguised under the name of Senator Billboard Hawkins played by Dan Seyfarth.

The whimsical plot revolves about the magic that is wrought on the pro-segregation-spirited Senator by the pot of gold and the geniality of the Irishman and his daughter, plus the sprightliness of a leprechaun who also arrives in purpuit of the stolen pot of gold.

Penny Anderson is starred as the Irish lass who sings the haunting hit-parade number, "How Are Things in Glocca Morra?" and the part of her jaunty father, Finian McLonergan, will be played by Bernard Anderson. Charles Bruhn will be seen as the capering lepre-

chaun, and heard also, since his assignment includes singing two of the show's most popular songs, "Something Sort of Grandish" and that essence of tickleness, "When I'm Not Near the Girl I Love."

Pete Zeien will have the hero's role of the Rainbow Valley farmer with whom Sharon McLonergan falls in love, and with whom she sings the exuberant and well-known songs, "Old Devil Moon" and "If This Isn't Love."

The score of "Finian's Rainbow", written by E. Y. Harburg, and Burton Lane, is also notable for two celebrated choral numbers, "This Time of Year" and the expression of the tenant farmers' joy at finding that, by the magic of the pot of gold, they can afford to buy anything they want in the world, "Great Come-and-Get-It Day."

The show was particularly praised when it began its 91week run in New York in 1947, for the fact that it combined both gay entertainment and some sharp social commentary. One of the wonders worked by McLonergan's pot of gold is the granting of three wishes, and one of them converts the bigoted Senator into a Negro for a while. After he has thus learned how that feels he assumes a more liberal frame of mind. Brooks Atkinson wrote that "It puts the American musical stage several steps forward with its imagination and stunning virtuosity."

The show will play two performances on Friday and Saturday, March 25 and 26, at 8:15 p. m. in the high school auditorium.

Local Car Salesmen Honored at Banquet

Three Antioch Ford car and truck salesmen were presented with Ford 300-500 club awards at Chicago on Wednesday, March 16, by J. W. Warriner, manager of Ford division's Chicago sales district.

Winners were Ray Anderson, Norman C. Lauer and Karl Dominick, of Lyons and Ryan Ford sales, 939 Main street.

The award presentation took place at a banquet in honor of top-ranking salesmen of 1959 in the Chicago Ford district.

The 300-500 Club is a national organization of Ford salesmen who chalked up outstanding sales records last year.

HEART FUND DRIVE in Antioch received a boost the other day when employees and pioneers of the local exchange of Illinois Bell Telephone company turned over proceeds of a campaign they conducted to Mrs. Helen Kopriva (center), chairman of the Antioch drive. Shown are Harry Greenlee (left), plant service foreman representing the telephone pioneers, and Miss Wanda Schlunz (right), junior supervisor in Antioch traffic. Miss Schlunz and Greenlee were chairman for their respective groups—employees and pioneers—who had volunteered to solicit funds. More than \$700 had been raised in Antioch at last reports. Quota for this year is \$800. (Antioch News photo)

Antioch High Editors Invited

Antioch high school newspaper editors have been invited to attend a high school editors press conference, 10 a.m. Saturday, March 19, at the Merchants' and Manufacturers' club, Chicago.

The conference, designed to herald Illinois chemical progress month (April) will be sponsored by the rug and chemical industry activities committee of Illinois, 29 leading Illinois-based chemical companies.

The conference is designed to tell the editors about job opportunities in the chemical industry with the purpose of interesting more students in science and chemistry courses in high school.

In addition, a panel of five speakers will cover chemical industry jobs for journalism majors.

The editors will participate in an open discussion, after which luncheon will be served. Over 200 high school editors from Chicago and suburban public, private and parochial schools are expected to attend.

Rezoning Plans Given Approval

Two zoning changes of interest to Antioch and Lake Villa vicinity people have been approved by the Lake county board of supervisors.

One of these gave a proposed \$30,000 improvement of Blarney island in Grass Lake an okay. Sixteen acres of which 12 are under water were reclassified B-2 (business) from F (farming).

Edward Walters had told the county zoning board of appeals that he plans to install a marina on the premises and refurbish and remodel the present sewer and sanitary system, replacing it with modern operation.

He also plans to construct new buildings in which will be stores selling summer sporting goods and fishing equipment.

George and Dorothy E. Derderian were granted rezoning from F (farming) to B-1 (business) part of an acre west of route 45, south of Grand avenue in Lake Villa Township in order to move two houses and build stores.

National Merit Tests Coming Up

These juniors are scheduled to take the National Merit Scholarship qualifying Test at 9:00 a.m. on March 19, 1960: Bernard Anderson, Charlene Bogaerts, William Bonner, Loreta D'Abaldo, Pamela Drucker, Brian Elliott, Leslie Herbst, Lester Hribar, Lance Kelsler, Edward Martin, Margo Ott, James Prosis, Robert Randall, Emily Reichenbach, Donna Shewan and Dee Stillson.

The tests are given each year by the National Merit Scholarship Corporation as part of the nation's largest independent scholarship program. Last year 550,000 students competed in 14,500 schools for more than \$3.5 million worth of four-year scholarships.

Awards are granted on the basis of intellectual merit, but student financial needs determine the size

of the individual stipends, which are renewable each year without further testing.

The NMS exam, administered by Science Research Associates of Chicago, also is valuable to students for selecting their careers or planning their courses in high school and college, Frank Denison, Coordinator of Guidance observed.

After the test, each participating student will receive an interpretive folder that reports individual test results for comparison with scores of high school students across the country. Thus, Denison said, students may learn their educational strengths and weaknesses—whether or not they plan to attend college.

Research indicates that dairy calves will develop normally when fed silage as their only source of roughage. The trick is to make sure they receive enough grain to provide the energy needed for growth.

Chevy wagons are widest where wagons should be—with the widest seating, the widest cargo space and the widest choice of power teams in the low-price field. Check any of the five handy, handsome new models at your dealer's. You won't find these versatile advantages in any other wagon near Chevy's size and price!

- Widest seating, front and rear—up to a full 3.1 inches wider in front, up to 4.2 inches in the rear.
- Widest cargo area—the load platform's a whopping 5½ feet wide, designed for a wider variety of cargo.
- Widest area between wheel housings—

- allows more room for bulky loads.
- Widest choice of engines and transmissions—24 combinations in all, to give you peak performance with any kind of load.
- Full Coil springs that ride right loaded or light—no other wagon near Chevy's price and size gentles the bumps with coil springs at all four wheels.
- More road and ramp clearance—you can take full loads over bumps and grades without scraping bumpers.
- Truly practical 9-passenger model—with roomy rear-facing third seat and electric roll-down rear window.

Gayle Peterson Engagement Told

Mr. and Mrs. Joseph L. Peterson of Seattle, Wash., announce the engagement of their daughter, Gayle Charlotte, to Lt. Ronald J. Flattum, (USAF strategic air command).

Gayle is a graduate of Bellevue high school and attended San Angelo college at San Angelo, Texas, and the University of Washington.

Lt. Flattum is the son of Mr. and Mrs. Carl Flattum of Antioch. He is a graduate of Iowa State university and a member of Phi Kappa Psi fraternity. He is now stationed at March Air Force Base, Riverside, Calif.

Plans are made for a July 13 wedding at the Bellevue Presbyterian church.

Channel Lakers Visit in Florida

By Mrs. Pearl Kapell

CHANNEL LAKE—Mr. and Mrs. Larry Bever of Woodbine avenue have just returned from a two week vacation in Florida.

They reported they had a wonderful time, in spite of the unusually low temperatures and excessive snow the south has been getting.

They visited Jack and Lucille Thornton, former residents of this area, at Indian Rocks Beach in Florida, and visited other friends at Lake Wales.

While at Lake Wales the Bevers saw the Passion Play, and were impressed by its beauty. They also visited the Cypress Gardens and Rainbow Gardens, and other points of interest, traveling most of the time.

They tried swimming a couple of times but found it pretty chilly.

The Channel Lake couple encountered deep snow from Georgia on and reported that the snow is as deep in many places through the south as we have here.

On their way home, they barely made it through the Smoky mountains, as the pass was closed by snow immediately before and after they went through.

Although Florida residents complained of the low temperatures, the Bevers found it generally comfortable, being accustomed to lower temperatures here.

PTA Meet Scheduled

The Grass Lake School PTA will have its regular meeting at 8 p.m. Monday, March 21, in the Grass Lake school building. Program for the evening will be a display of Scout work from all units.

WOMEN OF THE MOOSE

Hospital committee Women of the Moose Antioch Chapter 735, will have a corned beef and cabbage dinner on March 20 at the Moose Home. Serving will be from 2 till 6 p.m. All members and guests are invited.

'Strange' Hats Evoke Mirth at A Club Meeting

By Mrs. Pearl Kapell

CHANNEL LAKE—What's a woman's idea of a perfect way to spend an afternoon? Trying on hats, of course.

That's why the ladies who attended the Felter's Subdivision Birthday club on March 8 had such a hilarious time.

The party was held at the home of Mrs. Ruth Gibbons, and the ladies were told to wear the most outrageous hats they could find in their homes, or dream up, to the party.

When they arrived, the 21 members and guests found 25 new and beautiful hats waiting to be tried on.

The hats were made by Mrs. Magda Copp, who just likes to make them and does it as an avocation.

Between gales of mirth evoked by some of the hats worn to the party, and the delight of trying on the new "toppers" the afternoon was a "riot."

Some of the ladies purchased hats they tried on. Evelyn Purdy won a new hat for wearing the most unusual hat to the party—an ancient be-plumed creation.

Marge Ohlgren won a prize for the best homemade hat—a straw hat decorated with various small objects from her home.

Harold Wilson dropped in during the afternoon and recorded portions of the event on film. A potluck dinner was served, and guests departed minus any winter doldrums they may have brought with them.

VFW Auxiliary

Sequoia auxiliary No. 4551 of the V.F.W. held a regular business meeting Monday evening. Election of officers was the main order of business.

The following were named to serve for the ensuing year:

Ellen Glint, president; Laura Swanson, senior vice president; Lillian Burnette, Junior vice president; Pearl Anderson, treasurer; Myra Randall, chaplain; Elsie Hays, conductress; Kate Verkest, guard; Lucy Himens, 3 year trustee.

Delegates chosen were Lydia Edwards and Kate Verkest; alternates, Lucy Himens and Pearl Anderson.

An American flag has been purchased, and will be presented to Troop No. 92, Boy Scouts of America, by the Sequoia Auxiliary V.F.W.

Hospital chairman, Myra Randall reported on work done by the auxiliary during the past year for Downey Hospital — \$120.00 given for canteen books; \$41.50 paid for hospital pledge; \$3 for Christmas fund.

Many books and magazines were taken to Downey by the President, Lucy Himens, and the hospital chairman.

Installation of officers of the Sequoia post and its auxiliary will be held in April.

LEGION AUXILIARY NEWS

Antioch American Legion Auxiliary unit met in regular session last Friday evening with President Carolyn Horan conducting the meeting. Mrs. Lily Petty was chairman of the evening's entertainment and refreshments.

Legion Birthday Party

Antioch Legion post will celebrate the Legion's 41st birthday Thursday evening, March 17.

All Leg-on members and their wives, all Auxiliary members and husbands are invited to attend.

A potluck supper will start the evening's activities at 6:30.

Seven Legion members will be presented with 40-years citations.

Patriotic Conference

The 32nd patriotic conference of the American Legion Auxiliary will be held in the Morrison hotel, Thursday, March 24. The Americanism, national security and civil defense chairmen are asked to attend.

Entertain District Officers

Antioch unit will have as guests the 10th District officers on April 3.

An evening of entertainment is being planned by the committee in charge.

Carnival Dates

The annual summer carnival sponsored by Antioch Legion post and auxiliary unit will be held during the second week in July with rides, games and entertainment for kids from 1 to 100 (years).

Fashion Shop To Open Here Soon

The big adventure for David Irvin and Lorraine Irvin of Fox Lake Hills is beginning the week of April 2 when they open an innovation in shops at 922 Main street, Antioch, to be known as the Lor-A-Lyn Petite Modes.

This shop will feature fashions for the Junior Miss and the Junior Misses.

Mrs. Irvin will manage the shop assisted by her daughter Carolyn. Mr. Irvin will continue with his employment with the Rand-McNally company at Skokie.

Announcement will be made in this paper at an early issue regarding the opening date.

Karen F. Horton Engagement Told

Mr. and Mrs. Louis A. Horton of Drom court have announced the en-

Karen Faye Horton

gagement of their daughter, Karen Faye, to Craig Allan Kublank of Evanston.

Craig is the son of Mr. and Mrs. Mark Kublank of Huntington Beach, Cal. and is employed in Evanston.

Karen is a senior at Antioch high school.

The couple plan a fall wedding.

Birth Announcements

Recent births at Waukegan hospitals have included a son to Mr. and Mrs. Robert Larson of Lake Villa; a son to Mr. and Mrs. Harry Flood of Bristol, Wis.; a daughter to Mr. and Mrs. Vernon Cook of Lake Villa; a daughter to Mr. and Mrs. John Gomaz of Salem.

Mr. and Mrs. Kenneth Reidenbach of Crivitz, Wis., are parents of a son James Allen, born March 13. Mr. Reidenbach is a son of Mr. and Mrs. Alvin Reidenbach of route 1 Bristol, Wis.

Recent births at Condell Memorial hospital in Libertyville have included a daughter to Mr. and Mrs. Ronald Albers of Lake Villa.

Recent births at Kenosha hospitals have included a son to Mr. and Mrs. Nicholas Willkomm (Mary Lous Ehlen) of route 2, Union Grove, Wis.

Gains Honor List

BELOIT, Wis.— Miss Judith A. Pyles, daughter of Mr. and Mrs. C. A. Pyles of Oak lane, Antioch, recently was named to the dean's honor list for scholastic excellence at Beloit college.

The honor list is announced following each semester.

GIRL SCOUTS and Brownie Scouts from Antioch and vicinity joined together to present a United Nations program in the Antioch grade school gym last Saturday evening before a capacity crowd of parents, brothers, sisters and friends. The event was part of the area observance of the 48th anniversary of Girl Scouting. Shown here are, from top, "Chinese" girls from Brownie troop 1 led by Mrs. Sam Guard of St. Peter's; "American Indians" from Girl Scout troop at Lake Villa led by Mrs. W. H. McLeod and "Czech Girls" from Brownie troop 11 of Grass Lake and led by Mrs. Francis Mitchell. The scene is the stage of the grade school gymnasium with photos being taken while the skit was "in action." (Antioch News photo)

Women To Hear 'Folk Singing'

The Antioch Woman's club will meet at the scout house Monday, March 21 at 1:30 p.m. The regular meeting will be preceded by a board session at 12:30.

Dorothy Frisch (Mrs. James L.) of Waukegan, Wis., will present the program for the afternoon with "Folk Singing in Costume".

The hostess committee will have Mrs. Walter Laudell as chairman. Assisting her will be Mesdames D. S. Boyer, M. J. Connell, Richard Whitaker, Loren Sexauer, Joseph Arnhorst, Harry Lubeno, Everett Springer, Roy Turovaara and Charles Watson.

Janet Rogers Named Officer

Miss Janet Rogers, a junior at the University of Illinois and a member of Alpha Xi Delta social fraternity, was recently elected vice president of Alpha Xi Delta.

(That's the way it came in to the Antioch News — Scout's honor.)

She is also the secretary of the Spanish club. Miss Rogers is enrolled in the College of Liberal Arts and Science, and her major is in Latin American studies.

Janet is the daughter of Mr. and Mrs. Harry F. Rogers of Bluff Lake, Antioch.

Green Thumbers Enjoy Showing Of 'Home' Hats

The Green Thumbers met at the home of Mrs. Clarence Gibbons of Addison lane Monday afternoon.

Twenty members and guests enjoyed Mrs. Donald Copp's demonstration of her own home made hats.

Mrs. Copp, of Twin Lakes, Wis., also had those in attendance model her creations.

Mrs. Ray Boller from Millburn won first prize for her ingenuity in creating a hat made of felt with all garden tools around it.

Mrs. John Wagner was runner-up with her "Spring Planting", a hat with garden seeds in packages all around the crown.

Mrs. Frank Vance called her hat "Devine". Her own ivys were twisted around the frame.

Mrs. Earl Hays with "Voice of Spring" - pussy willows and air fern; Mrs. Robert Duha, her hat of flowers and flower pot, and Mrs. Lloyd Leable, her hat a China Dog with sticks of wood, called "Dogwood" all won honorable mention.

To quote Mrs. Hayes, "It was a very enjoyable afternoon."

Milk production should be considered as a factor when beef cows are being culled, just as in the case of dairy cows.

By Mrs. Bernice Bernau

LINDENHURST— All committee chairmen of the Lindenhurst Garden club flower show will meet at Mrs. Marge Fabry's home on Fairfield road Wednesday, March 23 at 8 p.m.

The ladies are Mrs. Helen Skelton, schedule chairman; Mrs. Gayle Schimph, publicity; Mrs. Clara Langager, staging and property; Mrs. Bernice Frontzak, entries; Mrs. Edith Westberg, classification and placement.

Mrs. Helen Baumgartner, refreshment chairman; Mrs. Mary Lobrillo, hospitality; Mrs. Nada Romano, sales table; Mrs. Zelma Bechtol, chairman of flower show; Mrs. Fabry, co-chairman of flower show.

No date or place has been set yet.

Little Boy Blue doesn't have to blow his horn if the cows get in the wheat field. Moderate grazing has increased grain yields 2.3 bushels per acre.

Put animals on the wheat as soon as it emerges from dormancy. Take them off before wheat enters the jointing stage.

University of Illinois agricultural economists estimate that 70 cents of every farm income dollar will be needed to cover production costs in 1960.

Capacity Crowd Sees Scout Event At School Gym

A miniature United Nations building scene was set up in the Antioch school gym last Saturday evening as Brownie and Intermediate Girl Scouts of the Antioch-Lake Villa neighborhood presented a program.

Each troop taking part depicted a different country and the skits, dances, singing and costumes attracted much applause from the capacity crowd.

The costumes were colorful, the music was lilting and the commentary by John Jessup, speech teacher at the school, was very entertaining.

Scout leaders and parents were equally proud of their girls. Mrs. Mary Bruski, program chairman, was well satisfied with the entire program.

Taking part in the program entitled "Scouting Around the World" and the countries represented were Lake Villa Brownie Troop 1 of Lake Villa (American Indians), Brownie troop 24 of Antioch (Ireland), Intermediate troop 6 of Grass Lake (Scotland).

Others were Intermediate troop 36 of Lake Villa (France), Brownie troop 74 of Channel Lake (Netherlands), Brownie troop 60 of Lake Villa (Norway, France and Germany), Brownie troop 11 of Grass Lake (Czechoslovakia).

Also Brownie troop 82 of Antioch (Brazil), Intermediate troop 31 of Antioch (Hawaii) Brownie troop 100 of St. Peter's church (China) and Intermediate troop 39 of Lake Villa (United Nations).

The program was held in connection with the celebration of the 48th anniversary of Girl Scouting.

Preceding the program an explanation was given of the Juliette Low world friendship fund and representatives of each of the Brownie and Intermediate troops came forward and presented donations on behalf of their groups.

PTA Will Meet On Monday Evening

Antioch grade school PTA will meet Monday, March 21, at 8 p.m. in the school gymnasium.

There will be a panel of teachers discussing the curriculum of the school. Mrs. Ruth Baethke will head the discussion of the primary department, Mrs. Belinda Dittman, the Intermediate group, and Mrs. Loretta Hart and Mrs. Edna Becker will present the upper grade curriculum.

Refreshments will be served by mothers of second grade pupils, with Mrs. George Bartlett and Mrs. John Weiss serving as chairmen.

When you see the handwriting on the wall, chances are you're in a public building.

DEATH NOTICES

FRANK SCHWARTZ

Frank Schwartz, 50, a resident of Indian Point near Antioch, died Tuesday morning at a Waukegan hospital. He had lived permanently in the Indian Point district for 5 or 6 years.

Funeral services will be held Saturday at Berwyn funeral home, 1921 Harlem avenue in Berwyn with burial in a Berwyn cemetery. Time of the rites was not known Wednesday noon.

Survivors include his wife, Adeline, two daughters and a son.

HARVEY LINDGREN

Harvey Lindgren, 68, formerly of North Chicago, died Saturday morning in Gibbons hospital at Celina, Ohio, where he had been confined since Oct. 15, 1939.

He was born Aug. 19, 1891 at Trevor, Wis., moving to North Chicago as a young man. He had resided there since.

Mr. Lindgren was a retired shipping clerk with Bell and Gossett and company at Morton Grove, Ill.

Surviving are his wife, the former Pearl VanWormer; one daughter, Mrs. Leone Fanning of Celina; one sister, Mrs. Clara Worcester of Bellview, Fla.; four grandchildren and five great-grandchildren.

Graveside services were held at 2 p.m. Tuesday at Liberty cemetery near Trevor. Rev. Edmond Hood of St. Ignatius church officiated. Strang funeral home was in charge of arrangements.

MRS. MARY HOSTY

Tom Hosty's mother, Mrs. Mary Hosty, died and was buried Thursday, March 10, from St. Edward's Church, Chicago. Tom Hosty is an usher at St. Peter's church here, and is an officer of Larson's Home Loan, Chicago.

The mass was celebrated by Rt. Rev. Msgr. Vincent Cloos of Winfield, Ill.

Rev. A. J. Henderson of St. Peter's Antioch, was deacon and preached the eulogy.

Father John Kyle was sub-deacon.

Burial was in Holy Sepulchre cemetery. Mrs. Mary Hosty was 85 years of age. She also leaves a son, Edward.

MOOSE TOPICS

There were 40 lodge members and wives present at the third district meeting at Highland Park lodge Saturday night.

Vice president Herman Ehlerst accepted the resignation of Virgil Frankert as treasurer of the district and appointed Lester Marshall to finish the term.

Virgil Frankert has accepted a position as auditor at Mooseheart.

There will be an initiation of new members at the Antioch Moose lodge on Saturday, March 10, at 8 p.m. The Antioch Moose ritual team will perform the ceremony.

There will be a dance following the initiation.

Aurora Moose lodge took first place and Woodstock second in the regional competition for degree staffs. The regional was held at Woodstock.

Library Week April 3 to 9

Plans for celebration of "National Library Week," from April 3 to April 9, include an exhibit by the Art Guild at the Antioch library building.

President Claire Gilday expects about 15 members to exhibit works.

The library staff plans to borrow a new collection of books from the state library depository at DeKalb.

These books are a revolving collection that is changed every six months, so that fresh materials will be available to the one-subject reader.

A special display of the notable books of 1939 will invite browsing. They will include such books as:

"Nautilus 90 North," by William R. Anderson; "The Joy of Music" by Leonard Bernstein; "The Armada" by Garrett Mattingly; "The Harmless People" by Elizabeth Thomas and "The Devil's Advocate" by Morris West.

Hi School Board To Hear Experts

A meeting with consultants from the state department of public instruction and architects has been arranged tentatively for Monday evening, April 25, the Antioch Township high school board of education learned this week.

Building consultant Scott Funkhouser, curriculum consultant Frank Pool and Earl Hudson are scheduled to meet that afternoon with Gilbert Johnson and principal Albert Dittman to discuss building facilities questions.

The board session scheduled Wednesday evening of this week was to hear science department chairman Elmo Edwards and chemistry instructor Allen Knurr discuss the 1939-40 chemistry program.

Employment of a custodian at the high school was another matter slated to come up.

Board members will be special guests of the Antioch Lions club at its annual athletic banquet and program next Monday evening.

Six Seek Posts On School Board

Mrs. Marie D. McLelland of Lindenhurst has joined the group of candidates for the Antioch Township high school board of education, Mrs. Ruth Seyfarth, board secretary, said Wednesday.

She is seeking the two year job to fill out the term of Arthur W. Seekatz of Lake Villa-Fox Lake Hills who resigned from the board several weeks ago.

Also seeking the two-year term is Lester Boyd Osmond of Antioch.

Candidates filing for the two three year terms are incumbents Robert Denman of Millburn and Milburn Cain of Antioch and newcomers George Bartlett of Antioch and Mrs. Mary Chase of Channel Lake.

This week, Saturday, March 10, is the final day for filing with Mrs. Seyfarth. Petitions may be obtained at the high school office.

Cub Scout Pack Schedules Meet

Antioch's newly-formed Cub Scout pack no. 300 will hold a pack meeting Tuesday evening at 7:30, March 22nd, in St. Peter's Catholic church hall.

Parents and Cub Scouts are requested to be there by 7:30.

During the ceremony, Bobcat badges and membership certificates will be presented to the Cub Scouts who are accompanied by one of their parents.

Any boy who wants to join this new pack should attend this meeting Tuesday evening with his parent(s).

Cub Pack No. 300, which is sponsored by St. Peter's Holy Name society of Antioch, is open to all boys of ages 8, 9, and 10.

The public is invited to attend this meeting and anyone interested in furthering Cub Scouting is welcome.

GRANDPA JOHN FRANK, a former resident of Wilmot and now living at the Brookside home in Kenosha, was honored Sunday on his 100th birthday by members of his family, including many from the Wilmot area. In fact Sunday's doing was just one of several to mark the event. He was born in Steuben, Germany, on March 13, 1860, coming to America and Wilmot in 1881 to launch a career in farming. He farmed in the Wilmot, Antioch and Spring Grove areas until 1918 when he established residence in Wilmot on becoming caretaker of the Wilmot cemetery. Mr. Frank retired in 1929. Shown with him here are three members of the staff at Brookside.

Wesley Koehler Seeks Post as County Auditor

Wesley F. Koehler of Waukegan, a candidate for county auditor in the Republican primary election, has stressed his specialized training and experience in bidding for the nomination.

A native of Waukegan, Koehler attended Northwestern university and the American Institute of Banking before joining the Continental Bank and Trust company of Chicago.

After 10 years in the banking business Koehler moved into public service, joining the staff of the county treasurer in Lake county.

Wesley F. Koehler

where he remained for nine years. In 1948 he was named chief clerk of the county purchasing department, a post he still holds.

Koehler feels that his experience in banking and county government qualifies him for the job of county auditor particularly since as county purchasing clerk he worked closely with the office in processing contracts, purchase orders and invoices. A lifelong Republican Koehler is a former officer of the Young Republicans and of the Waukegan Township Republican club.

An enthusiastic sports fan, he is a familiar figure at most of the sporting events in Lake county.

Koehler's operation of the purchasing department has earned him the support of most of the members of the Lake county board of supervisors and of most of the county officers.

He also has strong support among the Republican committeemen because of his long association with the Republican party.

Less Government Intervention in Farming Sought

BURLINGTON, Wis. — Advocating a policy of more independent farming, without too much government intervention in the life and affairs of the farmer, Henry C. Schadeberg, Republican candidate for first district congressman, delivered an address in Edgerton concerning his position on the national farm problem.

With the problems of the farmer being of prime concern, after having been geared to farm affairs for years, Schadeberg conferred with many leading agricultural leaders and his farm policy is the result of long and careful study and deliberation.

Schadeberg stated that the present program feeds upon itself and in his opinion the ideal farm program is one in which there is a minimum of interference by the government.

"The cause of the difficulties must be sought out," said Schadeberg, while he conceded that some program of price support and acreage control may be necessary until a

way is found out of the present surplus problem, he maintained that there must come a day when the government will only assist the farmer and not restrict him.

As a positive means toward solving the problem, Schadeberg suggested two possible steps. One, setting up a farm commission of those close to the problem to study farm conditions as a whole and to report back to congress with recommendations for such legislation that will free the farmers from restrictive and regulatory controls.

The second step involves setting up a farm research program to cooperate with the farmer, farm groups and feed and fertilizer industries to develop new methods of production at lower costs and to work out methods of marketing that will return to the farmer the maximum reward for his own labors. Included in this research could be means of developing new markets and new uses for farm produce at home and abroad, he said.

THURSDAY NIGHT BI-STATE

LEAGUE, MARCH 10

Adolph's Channel Inn and Lakes Co. made the big noise in this week's session, creating a new record shooting two tie games in one series, 939 and 978. This is a rarity in bowling. Despite Rog. Strattan's blast of 599 and teammate E. Slavik's 549 the Lakes team dropped the other game. B. Hywell's 580 and Ed. Schippmann's 582 were the top scorers for Adolph's.

It looks like a fight to the wire for title honors in this league. With 21 games to go there are only five games separating the first six teams.

Topped by Bob Kraft's triplet of 625 and Chuck Moran's 623 the John Gaa team took two from Gordon's Weatherstrip.

Gus Siedschlag was the solo scoring star for the Rudolph Turkey team who took three games from

Channel Lake PTA Meet Postponed To March 23; Will Elect Officers

By Mrs. Pearl Kapell
Phone Antioch 1837

CHANNEL LAKE—The Channel Lake P.T.A. will meet on March 23 instead of its regular meeting date of March 17.

Officers will be elected and the present members of the school board and candidates for that office will be introduced.

Special feature of the program will be a style show, put on by the Marlaine shop of Antioch. Models in the style show will be from Channel Lake. Mothers of third grade students will serve refreshments.

The Boy Scouts of Troop 88 are in need of committeemen. When the new charter was signed by the president of the sponsoring group, the Community club, last week, it was found that it could muster only four committeemen of the seven needed.

Blaine Ring is a new member of the committee this year, and Russell Roepensack, Emory Trussell and Donald Bjork are again serving on it. Scout fathers who would be willing to serve, call Russell Roepensack or Scoutmaster Ray Atwood.

Signs of spring: Mrs. Frank Hennig, Lake street, reports that after a winter practically devoid of visitors, she had an avalanche of Chicago guests Sunday.

Mr. and Mrs. Bill Wallbueser and family, Mr. and Mrs. Francis, and Mr. and Mrs. Dan Hazeltine and family were among them. Mr. and Mrs. Harry Weiss of Channel Lake also dropped in.

A thank you note from the Boy Scouts to all the mothers who helped repair the tents. The equipment is now in good shape again.

Little Paul Chase, son of Mr. and Mrs. Thomas Chase, was on the sick list for several days last week after eating some crayons. Paul is much improved and his mother, Dorothy, hopes he sticks to a more normal diet from now on.

Catherine Chase, daughter of Tom and Dorothy Chase, celebrated her

fourth birthday with two parties, on Friday, March 11.

In the afternoon she entertained several of her young friends—Maureen McCarthy, Terry Runyard, Joan Bjork, Betsy LuAnn, Judy and Susie McKinney, Christine, Mary Karleen, Catherine and Bill Chase, Jr., Debby and Susie Morris.

Highlight of the afternoon was when Mrs. Chase brought in a two-week old rabbit for the young guests to see. Many of the children had never seen a baby rabbit and were in raptures over the furry little creature.

The children were served ice cream and cake, and mothers Margaret Runyard, Jean Morris, Marie Hucker, Margaret McKinney and Nancy Runyard helped Dorothy with the festivities.

In the evening Catherine was guest of honor at a party of adults—Mr. and Mrs. Frank Ehler of Trevor, Mr. and Mrs. Ray Pollack and son, Richard, of Elkhorn, Wis., Tom and Harriet Runyard and Mrs. Dorothy Olson.

Ice cream and a beautiful birthday cake were served to the guests, and Catherine received many gifts at both parties.

Little Dawn Hruby is recovering from a bout with scarlet fever. Dawn is the daughter of Mr. and Mrs. Mike Hruby of Channel Lake Bluffs. Pat and Mike (I love that combination of names) are, to steal a word from somebody, infantically in the near future.

The Couples club met at the home of Mr. and Mrs. Frank Hennig on March 9. Guests were Mr. and Mrs. Harry Weiss, Mr. and Mrs. Albert Sima (filling in for the Robert Mess's who are vacationing in Florida), Mrs. Loly Leiss, and Mr. and Mrs. William Frey. Refreshments were served, and an enjoyable afternoon spent by the group.

Mrs. Frank Hennig was hostess to the Wesley circle of the Methodist church at her home on March 15. Fireman Dan Runyard, stationed at Great Lakes, spent last week-end at the home of his parents, Mr. and Mrs. Tom Runyard.

S.N. John Hucker, stationed aboard the U.S.S. Kearsarge, returned to San Francisco March 15 from a tour of duty in the Orient.

Brownies of Troop 74 represented Holland in the program presented March 12 at the Antioch Grade school.

Most of the Girl Scout and Brownie troops in this area were represented at the gathering. The program was viewed by a capacity audience.

Girls from Troop 74 who took part in the "Holland" skit were Wendy Eberman, Jean Kalth, Connie Willis, Vicky Lebowksi, Cathy Eckert, Susie Davis, Mary Lulofs, Patty Wiczorek, Joelyn Rocinski, Karen Voskuil, Colleen Ward, Shanda Jarvis, Pam Schaeffer and Alicia Bierman.

Jean Kalth and Cathy Eckert represented Troop 74 in the presentation of the Juliet Low fund. The Girl Scouts of Troop 73 were represented in this presentation by Viola Ward and Joan Lindblad.

The time of broadcast of the tape recording prepared by the Channel Lake P.T.A. has been changed. It will be broadcast over WKRS at 2:15 Thursday and Friday, March 17 and 18, and at 3:15 March 19.

The tapes were recorded at WKRS studios last Saturday by five students with remarks by Mrs. Myrna Jungman and Mrs. Mary Bierman. The subject of the talks is "What the

Central High Science Fair On March 24

PADDOCK LAKE, Wis.—March 24 has been designated as "Science Fair Day" at Salem Central high school.

Projects will be set up and judged Wednesday, March 23, by four local judges and prizes will be awarded. These prizes have been supplied by Salem Central Community club.

Thursday, March 24, from noon until 9 p.m. the public is invited to view the projects set up by students.

For the past several years the science fair has brought crowds to the school to inspect the work of the "Scientists of the Future."

Emory Heyse and Malcolm Alby have been instrumental in encouraging the students to take part in this. It is hoped that more than several projects will be entered in the Milwaukee area fair.

P.T.A. is doing in our school."

The five pupils who volunteered for the project are Marge Bartley, Ronald Holstrom, Dean Dowell, Calvin Trussell and John Paterson.

The Channel Lake Chieftains lost the final basketball game of the season in another close one with Gavin school. The final score was 19-18. This was one of the games in the grade school Lakes Conference tournament.

The players were Bill Portalski, who scored two points; Ed Matejka, seven; Richard Davis, five, and Jim Bridges, four. Ted Wozniak, Roger Eberman, and Ron Holstrom.

Jimmy Bucar, Shannon, Subdivision, and George Kapell, Woodcrest Subdivision, are both home from the hospital and much improved.

Lorraine Lemke entered Victory Memorial hospital on March 11 for a tonsilectomy.

Mr. and Mrs. Phillip Burgdorf and Mrs. John Eckert attended the Cub Scout basic training course at Avon school recently. The course, held one night a week, extends for seven weeks. It must be attended by Cub Scout leaders who have not previously taken this training.

Work is proceeding rapidly on the 1960 University of Illinois farm and home festival March 31 and April 1-2. Ten major exhibit stories will dramatically show an important part of college work that contributes to the festival theme, "Progress for Better Living."

Solon Mills Man Hospital Patient

By Anna Lyons

SOLON MILLS—Arthur Merrell has had another sick spell. He is really having a rough time of it. Here's hoping spring weather will do something for him that pills can't do to cheer up Arthur.

Lyle Jackson was a patient in Harvard hospital last week with bronchial pneumonia. He is getting along quite well now and is convalescing at the home of his niece, Mrs. Allan Van Every of Solon Mills.

Mr. and Mrs. Richard Young spent a few days last week in Chicago with Mrs. Young's parents. They also called on Mr. Young's mother, who is in a hospital with pneumonia.

Mr. and Mrs. Rudolph Schiller have added a nice two car garage to their place here at Solon.

More than 95 per cent of the Egyptians live on a fertile strip of land along the Nile river which makes up about 3 per cent of the country.

Mr. and Mrs. Ed Cropley were expected back from Florida this week but due to our winter up here they have decided to stay until the first of April. Maybe by that time they will be coming with the robins, who passed away at the age of 48 of a heart attack.

There's a REASON to elect LEE R. FLEMING State Senator!

OFFICIAL this week!

Automobile tax cut 20% in Lake County:

Fleming's Tax Crusade SCORES FIRST VICTORY

... auto owners win!

LEE R. FLEMING

LEE R. FLEMING started a lone fight last fall to get a reduction in the mile high values placed on automobiles for tax purposes.

When a tax on an automobile has hiked up to get \$32 last year to \$48 this year... when an old jalopy tax increased from \$10 to \$15 FLEMING said this is too much and started a one man crusade.

While our high-tax present senator was telling people around the counties that

"Taxes cannot be reduced," FLEMING has succeeded in getting a reduction of \$5.00 to \$20.00 for every car owner in Lake County.

(The tax reduction was announced by the County Supervisor of Assessments in a letter to assessors. It was reported in a front page story in the WAUKESHA NEWS-SUN, Saturday, March 6th.)

This tax reduction was started with a lone voice. The people joined in and made their wishes known to

the elected members of the County Board of Review. These elected officials responded to the just complaints of the people. Board members ordered the reduction of auto assessments 20%.

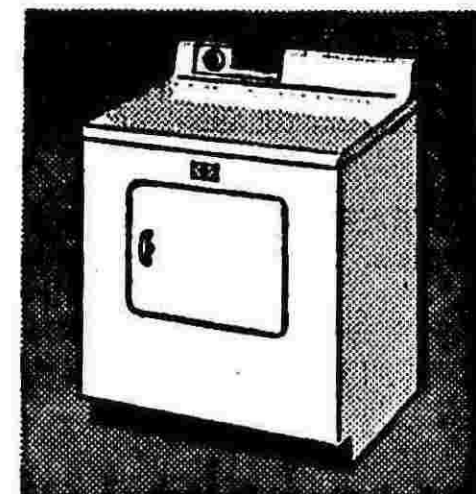

One man dedicated to the task did get results. A trend could be started in Springfield—lets try it!

Dust Mops Go Modern

THERE'S SOMETHING NEW in dust mops that will make spring cleaning easier this year. It's the Bissell Flex Master with take-apart sectional handles that features Magnelon, a new dust mop yarn developed exclusively for Bissell by the Celanese Corporation of America.

Magnelon, the first new dust mop yarn development in 15 years, has greater pick-up ability than any other on the market today, yet it is superior in shaking out dirt. Moreover, the yarn tests highest in washability, with no shrinkage or distortion.

The added feature of sectional handles means the mop can be packed flat in small gift boxes. It can be mailed or carried home conveniently. A flexible connector between handle and mop head permits easy dusting and bending in any direction under low furniture.

Interpretive reading, Tosca Lehnert and Dolores Roche; Play reading, Anne Garon, Alice Garon, Arlene Doyle, Gail Prochnow; Humorous declamation, Karen Wisniewski and Jean Anderson.

Extemporaneous, Rodney Raether and Jim Barthel; Serious declamation, Judy Schaeffer; Non-original, Charlotte Fowler; Original, Louise Cooke and Four-minute speech, Bruce Benedict.

Production Records Of Local Cows Told

BRATTLEBORO, Vt.—Ravenglen farm near Antioch, Ill., has completed production records averaging 14,968 pounds of milk and 563 pounds of butterfat, the Holstein-Friesian association of America announced this week.

These averages were for registered Holstein herds on that farm.

Purdue university supervised the weighing and testing of production as part of the herd improvement registry program of the national Holstein organization.

Elect Rogers Channel Lake Club Leader

By Mrs. Pearl Kapell
CHANNEL LAKE—At the recent meeting of the Channel Lake Community club officers for the coming year were elected.

They are: Lewis Rogers, president; Vern Heath, vice-president; Margaret Runyard, secretary, and Lois Ward, treasurer.

Lorraine Lemke was appointed welfare chairman, Pat Harland, chairman of the hot-lunch committee, and Pearl Kapell, publicity chairman.

The possibility of discontinuing the club, because of lack of interest by the public, was suggested and considered.

However, it was pointed out that several worth-while community activities would be left without financial support if such a move were made.

It was decided that the club would cash the \$1000 bond it has held since 1952, and continue without further fund-raising activities for the present.

It was decided to abandon the printing of the Channel Lake Bulletin, after the March issue, as an economy measure.

The club voted to purchase tickets to the Scout Appreciation dinner, to be held April 2 in Highland Park, for all adult Scout leaders.

The sum of \$100 was voted to finance an "outing" for all students graduating from eighth grade this spring in this district, both from Channel Lake School and from St. Peter's school.

Art Contest Set at Area Schools

Rules and official entry blanks have been sent to six Antioch area grade schools and to Antioch-Lake Villa high school by Mrs. Morris Pickus, art chairman of the Antioch Woman's club, for an art contest.

This contest is open to all seventh and eighth grade pupils in Illinois grade schools and for high school seniors.

Illinois Federation of Women's clubs is sponsoring the seventh and eighth grade contest while the General Federation of Women's clubs in cooperation with Hallmark Cards, Inc., is doing the same for the seniors.

Mrs. Pickus will collect and forward entries from the six area schools to the district art chairman and to the state art chairman about April 1.

Area schools contacted include Antioch, Oakland, Emmons, Channel Lake, Grass Lake and St. Peter's of Antioch.

Dress Rehearsal Of Variety Show

BRISTOL, Wis.—Dress rehearsal for the variety show to be presented by the North Bristol school PTA March 26 was held at that school building this week Wednesday evening.

Proceeds from the show to be held at 8 p.m. Saturday, March 26, in the Salem Central high school gym will go to PTA projects.

Fifteen children and adults selected earlier will join 15 others from West Allis, Beaver Dam, Kenosha, Winthrop Harbor, Antioch, Janesville and Trevor to put on the dancing, singing and instrumental acts.

Tryouts were held March 9 at the North Bristol school with about 30 people attending.

Teacher Salary Changes Okayed

PADDOCK LAKE, Wis.—A report on the attendance and receipts from this year's sub-regional basketball tournament was heard at a meeting of the Central high school board of education recently.

The board decided to buy the bread used in the school cafeteria from another source at a lower price.

Changes were made in the teachers' salary schedule and payments for extra-curricular work were increased.

The board voted to offer the entire teaching staff renewal of their teaching contracts for the 1960-1961 school year.

Pvt. Edward Wasson Completes a Course

FORT GORDON, Ga.—Army Pvt. Edward R. Wasson, son of Mr. and Mrs. Stanley Wasson of Route 1, Antioch, Ill., has completed an eight-week lineman course at the Southeastern Signal school, Fort Gordon, Georgia.

Wasson was trained to construct and maintain field communication systems.

He entered the army last October and completed basic training at Fort Leonard Wood, Mo.

The 23-year-old soldier is a 1955 graduate of Chicago Vocational high school and was employed by Johnson Motors in Waukegan before entering the army.

SNOW AND GHOSTS

I guess everyone sees snow or ghosts on their television screen from time to time; it being caused by extreme weather conditions. However, if the trouble continues regularly without bad weather, it can be corrected.

Actually, it is a sign of a weak signal from your antenna. In the case of "snow" it's the case of "ghosts" it's the weak signal from the antenna. Ghosts are caused by your antenna picking up the signal the second time as it reflects off buildings, hills or other obstacles. In both cases antenna servicing can generally correct the trouble.

Antioch TV has stocked the latest equipment for reducing this kind of trouble to almost nil. Phone 821 and let us explain why it is important for your TV set to receive the best signal for the best reception.

ANTIOCH SCOUTS basketball players and all-stars from the Land-O-Lakes league are shown playing in a March of Dimes benefit game held in the Antioch high school gym recently. Leroy Gallagher of the Scouts is the player in dark uniform going up for a shot. No. 33 in dark uniform to Gallagher's left is Bill Baird of the Antioch quintet. The Scouts won the game 98-84 to end their season. The team had won the league championship earlier. (Antioch News photo)

Varsity Sees Tuesday Tilt

Members of the Antioch high varsity basketball squad attended the Elgin-Marshall high school game at Evanston Tuesday evening and Thursday afternoon they and other local cagers will receive awards at an assembly. Jerry Dahlman of the Fighting Sequoits has been selected by the Chicago American and the Chicago Sun-Times on their respective top 20 player teams for the Chicago area. Don Pyles and Dahlman were named to the all-Northwest Suburban conference teams selected by the Chicago Daily News and the Chicago Tribune. Dahlman was on the all-conference quintet selected by the Sun-Times and Pyles received honorable mention. Dick Wolf and Bob Martin were given honorable mention on the Daily News all-conference team. Dahlman was the only unanimous choice on all-conference teams.

Illinois Boat Numbering Plan By Coast Guard

WASHINGTON, D. C.—The U. S. coast guard has approved the boat numbering system adopted in 23 states, including Illinois and Wisconsin, but effective April 1, 1960 boats in 15 other states and the District of Columbia must be numbered under the federal boating act of 1950.

On that date the coast guard will start receiving applications for numbers in those 15 states which have not yet adopted their own numbering systems. These will be for boats of more than 10 horsepower. These states are Alaska, Connecticut, Georgia, Hawaii, Idaho, Maine, Massachusetts, Iowa, Nevada, New Hampshire, New Jersey, Pennsylvania, Tennessee, Wyoming, Washington and the District of Columbia. The completed application form and a fee must be filed with the post office. At that time a blue federal boating stamp will be affixed to the application and a temporary certificate will be returned to the applicant.

This certificate will serve as proof of compliance with the law until such time as the application has been processed by the coast guard. Further information may be obtained by contacting the U. S. coast guard.

Oxygen is the most abundant element on earth. It makes up about 21 per cent of the air, 89 per cent of the water, 65 per cent of the human body and 50 per cent of the earth's crust.

Pick Dahlman For All-Prep

CHICAGO—Jerry Dahlman, who holds the Lake county scoring record and the Northwest Suburban conference field goal record for one season, was the only conference player named on the Chicago News-Sun's all-prep team.

In fact Dahlman was one of only two from Lake County named to the all-area squad selected by sports writers, officials and college coaches.

The other was Andy Hankins, a 5 ft. 11 in. senior from Waukegan high.

Bill Skea of Batavia, which the Fighting Sequoits met in the Batavia-Antioch tournament this past winter, was another selection. He is a 6 ft. 8 in. senior.

Dahlman scored 614 points in 23 games for a new Lake county scoring mark and tallied 139 field goals in 14 contests for the conference record.

Scholarship Plan Meet Scheduled By Young People

PADDOCK LAKE, Wis.—The Young Men and Women group steering committee will meet at Central high school in Salem, Monday night, March 21, to plan a scholarship program with the assistance of Vernon Horne, Central high school, and Chester Knight of Wilmet high school.

The Young Men and Women group held their monthly meeting March 8 at the Conservation clubhouse near Bristol with square dancing as the recreation.

Mr. and Mrs. Harry Johnson of Kenosha called the dances and taught the group some new dances.

The Y M & W group is planning a spring dance at the clubhouse April 23.

The dance committee met at the Robert Pringle home in Bristol, Thursday night, March 10.

DICK GUDGEON was elected honorary team captain of the Fighting Sequoits basketball team for the 1959-60 season by his teammates. Don Pyles was named most valuable player. The team ended the season in first place in Northwest Suburban conference with 13-1 and in Lake county with 22-5 records.

Dairy Farmers To Meet Soon

PADDOCK LAKE, Wis.—Two area meetings for dairy farmers are planned on Friday, March 25. Health and quality requirements and dairy housing developments will be the subjects.

An afternoon session will be held at the Racine-Kenosha Teachers college at Union Grove, Wis., at 1:30 p. m. and an evening meeting will be held at Central high school at Paddock Lake, beginning at 8.

The program will be:

"Meeting Present and Future Milk Market Quality Requirements,"—by Evert Wallenfeldt, of the University of Wisconsin.

"Development in the Housing of Dairy Cattle," by Ed. Bruns of the University of Wisconsin.

"Public Health Aspects of Loose Housing," by C. K. Luchterhand, chief sanitarian of the Wisconsin board of health.

Question and answer period.

All dairy farmers are being urged to take advantage of these informational meetings.

Social Security Benefits Advice

Naturally one wants to receive his or her first social security check soon after retirement.

To accomplish this, Bernard Barnett of the Waukegan social security office offers this bit of advice:

"Inquire before you retire at your local social security office."

According to Barnett, if a person is a working woman age 62 or over or a man age 65 or older planning to retire, one should contact the social security office two or three months before retirement.

"Why wait those extra weeks for your first social security check when a little foresight will bring it to you soon after your last pay check," Barnett concluded.
